- 2) Its relationship to LLC course work, and, if possible, to proposed dissertation study
- 3) How the internship will be reported and evaluated
- 4) The site supervisor (name and title)
- 5) The faculty advisor

The proposal then needs to be approved by 1) the site supervisor and 2) the student's advisor

Please complete the following form and attach it to your proposal. Make 3 copies: 1 for the student; 1 for the supervising faculty member; and 1 for the student's file in the LLC office.
